Greetings!

I would like to take this opportunity to wish everyone a Happy New Year.

It was a very interesting year as the economy, viruses, etc. made it difficult to predict what entries we would have at our shows.

As the year progressed, the Summer and Fall Classic shows did increase in entries with the largest increase being the Fall Classic.

All Branches are continuing to prosper throughout the province.

Again, I would like to thank all returning Reining Alberta Board Directors for all their hard work and welcome the new Directors as we look forward to working with you in the New Year.

I look forward to seeing everyone in the up coming show season!

Garry Boan Reining Alberta President
